

CONTRACT

to grant a royalty-free license for works with an obligation to provide the CC-BY-SA sublicense

concluded on in Białystok, between:

....., domiciled at
.....

hereinafter referred to as '**the Author**' and Fundacja Ekonomistów Środowiska i Zasobów Naturalnych - **the Publisher** of „Ekonomia i Środowisko” magazine, hereinafter referred to as 'the Publisher', represented by **Prof. Elżbieta Broniewicz**, the Editor-in-Chief of the Journal.

§1

The author declares that he/she has written the article entitled

“
.....”, for publication in the journal “Ekonomia i Środowisko”
no. hereinafter referred to as 'the Work'. The title of the Work may be altered by the mutual agreement of the Parties.

§ 2

1. The Author hereby assures the Publisher that the work is the result of their creation and that it does not infringe any third-party copyrights in any way.
2. The Author hereby ensures that their copyrights to the work are not limited to the extent that is agreed by this Contract.

§ 3

1. The author shall provide the Publisher free of charge with all material rights in respect of the Work, without restriction when it comes to:
 - production and reproduction of the Work by means of a specific technique, including printing, reprographic, magnetic recording and digital technology;
 - original or copies of the Work that may be put on the market, lent or rented;
 - public performance, exhibition, display, reproduction, broadcasting and re-broadcasting, as well as making the Work available to the public in such a way that everyone may have access to it at a time and place of their choice;
 - the introduction of the Work in electronic form to electronic platforms; or another introduction of the Work in electronic form on the internet, intranet, extranet or other networks;
 - making the Work available in electronic form in such a way that everyone can have access to it at the time and place chosen by them, in particular through the internet;
 - submitting metadata of the Work and the Work to commercial and non-commercial databases indexing journals.
2. The Author hereby grants a free of charge exclusive licence to the Publisher to use the work to the extent agreed above.

§ 4

1. The author declares that under the license granted herein he or she is entitled and obliged to:
 - Granting third parties further licenses (subsidiaries) to the Work and to other materials, including derivative works containing or derived from the Work, the provisions of such sub-licensing shall be identical to the model license or any later version of such license published by Creative Commons;
 - Make the Work available in such a way that everyone can have access to it at the place and time of their choice without any technical limitations;

- Properly inform the persons to whom the Work will be made available about the sub-licenses granted to them in a way enabling the recipients to familiarize themselves with them.
2. In the event that third parties lodge claims against the Purchaser for infringement of the author's economic rights, the Author shall take all necessary steps to defend himself against such claims, and in the event that, as a result of such claims, the Purchaser or third parties to whom the Purchaser grants the right to use the Work in whole or in part, or a decision is issued obliging them to pay for any kind of payment to third parties, the Author shall make good any damage resulting from any claims of third parties, including the reimbursement of costs and expenses incurred in connection with these claims.
 3. The author shall immediately notify the Publisher of any claims for infringement of the author's economic copyrights to the Work made against the Author.

§ 5

The Parties agreed on the content of © note in the following wording: **Copyright © by Fundacja Ekonomistów Środowiska i Zasobów Naturalnych z siedzibą w Białymstoku.**

§ 6

The Author(s) shall receive 1 Author Copies of the Work in printed form. The electronic version is available on the journal website: www.ekonomiaisrodowisko.pl.

§ 7

The publisher reserves the right to make necessary changes to the work which result from editorial and technical elaboration.

§ 8

Protection of Personal Data (GDPR):

I hereby certify that I have read, I am well acquainted with and I fully accept the information clauses regarding the protection of personal data included in the Regulation of the Journal of Elementology "Ekonomia i Środowisko" <http://ekonomiaisrodowisko.pl/protection-of-personal-data-gdpr.html> and I give my consent to the processing of my personal data.

§ 9

All changes and addenda to this Contract and rescission of the Contract shall be made in writing. The exchange of letters between the Parties, if the letters indicate what changes or addenda were agreed by the Parties, shall be deemed made in writing.

§ 10

To all matters not settled herein appropriate provisions of the Act on Copyrights and Related Rights and the Civil Code shall respectively apply.

§ 11

All disputes which may arise from this Contract shall be settled by common courts of competent jurisdiction for the Publisher's registered office.

§ 12

This Contract has been drawn up in two identical copies: 1 for the Publisher and 1 for the Author/Authors.
